**Narrative**  
(Include date for each entry)

11/09/09- The complainant called and informed Environmental Health Inspector, Eric Campbell that loose litter and debris was found strewn across a section of Hamman Farms property (property located off of Budd Rd., near W. Highpoint Rd.) Mr. Campbell informed the complainant that he would visit the property on this day to verify said observations firsthand. EC

Mr. Campbell paid a visit to the aforementioned property and confirmed the complainant's observations: loose litter and debris strewn across Hamman Farms property (specifically, near Budd and W. Highpoint Roads). This litter and debris

appeared to be bits and pieces of plastic, plastic bags and the likes. Mr. Campbell then took several photographs of the litter and debris with intentions of forwarding his observations along to the Illinois Environmental Protection Agency's (IEPA) Des Plains regional office.
11/12/09- Via e-mail, Mr. Campbell provided IEPA's Gino Bruni with details of this complaint and his field observations (including copies of the photographs he had taken). Finally, Mr. Campbell shared the same information with Kendall County Solid Waste Coordinator, Marlin Hartman (as FYI). EC
This matter has been referred to the IEPA. No further action to be taken at this time. EC
